

Milwaukee Cupcake Company Catering/Wedding Information

Tastings:

At \$20 per session, tastings are offered and allow for up to 4 people total; they include beverages and all flavors in the store on the given day; customers will be given an assortment of regular and mini sized cupcakes, and anything not finished will be packed up and sent home with you. Tastings usually last about an hour, and include a meeting with either the owner, Debbie; or MCC's wedding consultant, Megan. All the topics on this information sheet will be covered in detail with the couple, during the tasting.

Cupcake Pricing:

Orders of more than 100 cupcakes (either regular or mini or a combination of both) are eligible for volume discount pricing:

Regular size: \$2.25 per cupcake or \$27.00 per dozen (vs. \$2.50 or \$30/dozen retail)

Minis: \$13/dozen (vs. \$14 per dozen retail)

Custom Services:

We offer custom décor services; Cost is \$10 extra per dozen for regular sized cupcakes and \$5 extra per dozen for minis. If you don't want custom décor, but want to bring some color into your display, tinting (color only) is available for \$5 extra per dozen for regular sized cupcakes and \$2.50 extra per dozen for minis.

We also offer 6" round two-layer cutting cakes; available in any of our cake flavors, these range from a very basic/clean design to custom designed with custom décor; they start at \$30 and go up from there based on your theme/design. Fondant drape is available for an additional \$10. There are several cutting cake examples shown at the end of the Gallery section of our Wedding Gallery on our website.

Rentals:

MCC offers rentals of display equipment; we charge a flat \$25.00 rental fee for a standard sized wedding display with one large tower, or several smaller stands and/or platter combinations. If two large towers are needed, there is an additional \$10.00 rental fee added. The rental fee is non-refundable and covers the cost of renting the stand from us. Customers are responsible for the return of all display equipment to MCC. We also offer centerpiece rental options for those wanting cupcakes as their table centerpieces.

Delivery & Setup:

Delivery and setup is available and includes the careful packing, transportation, unpacking and delicate setup of your cupcake display equipment, and your cupcakes. We are careful and competent in making your display the center of attention (except for the bride of course!) and beautiful beyond words. Please refer to our website, the Gallery section, to view many of our past wedding displays. Delivery and setup is highly variable in cost, and differs widely with each situation. Please inquire regarding a quote for your specific situation. We also offer the customer pick up option.

Deposit? _____

We do not take deposits. We require that you fill out a contract, and provide to us a credit card number to "hold" your order/slot. You are guaranteed your spot once you supply this to us. Our cancellation policy is such that if you cancel less than 6 weeks before your wedding, we charge a \$50 cancellation fee.

Orders:

Flavor choices and final cupcake counts are not due until 2 weeks before the wedding day. Display option decision should be made as soon as possible to ensure you get the display you'd like.

Payment:

Payment shall be made PRIOR to the wedding day in either cash, or via credit card. WE DO NOT ACCEPT PERSONAL CHECKS. Alternatively, we can also charge the cost to the credit card that has been holding the order slot. In this case, brides/grooms must ensure that the credit card is current and not expired.
